Shop
Floor
Insight

Shop Floor Data Collection

A comprehensive solution for barcoded time capture, time & attendance, and employee time management.

www.ShopFloorforDynamics.com

MxAPS

Planning and Scheduling

Transform production planning and scheduling into a responsive, repeatable, and highly accurate decision support activity.

www.NAVScheduling.com

Counter
Sales

Industrial POS

Packed with all the features you'd expect from a powerful Point of Sale system, but in a simple and cost effective package.

www.POSforDynamics.com

Product
Configurator

Configure Price Quote

Streamline the quote and order process for companies that Make-to-Order or Assemble-to-Order.

www.CPQforDynamics.com

Enhanced
Planning
Worksheet

Planning Made Simple

A powerful MRP tool that saves you time and gives you better insight into your resource requirements.

www.dmsiworks.com

Barcode
Generator

1D & 2D Barcodes

Add 1D and 2D barcodes to your Dynamics 365 Business Central reports. Both Code 39 and Data Matrix barcodes are supported.

www.BarcodesforDynamics.com

NavXtender

Document Drag & Drop (on-prem)

A free utility that enables users to attach documents to any Microsoft Dynamics NAV record with a simple drag and drop.

www.NavXtender.com

DocXtender

Document Drag & Drop (cloud)

A free utility that enables users to easily drag-and-drop documents to pages in Microsoft Dynamics 365 Business Central.
